bellavista™ 1000e Exhalation Valve Decision Tree

Integrated exhalation valve is factory fitted as standard

Which pathway does the hospital wish to use?

---

Single patient use

Ensure an additional Dual Limb Adapter (Part no. 304.585.000) has been ordered

How to install:
Remove exhalation valve cassette and click the dual limb adapter into the orifice

Single patient use exhalation valve (Part no. 302.231.000, 10/pk)

---

Reusable

The unit is delivered with one exhalation valve cassette. Advise the hospital to order one extra cassette per device to allow for reprocessing and quicker turnaround between patients. Exhalation valve cassette: Part no. 302.679.000
